**HEALTHY.** We can accommodate everyone's needs and dietary restrictions. Our savory crêpes are gluten free and can be made vegan or on demand. A savory crêpe will bring you an average of 600 calories: The perfect meal option! Our sweet crêpe is made with our authentic white flour. It is sweet and delicious.

**AUTHENTIC.** Originally from Brittany, home to the most delicious crêpes of France, we made them from scratch and with passion. We use traditional buckwheat flour for our savory crêpes.

**FUN!** All our crêpes are made fresh to order in front of you. Mix and match as you wish! All on a french music background. I won't be "just" a meal, but a full experience. Just relax and enjoy the show!
